LUKAS J. GUNSCHERA

MRC Cognition and Brain Sciences Unit University of Cambridge United Kingdom

www.lukasgunschera.com l.gunschera@outlook.com orcid.org/0000-0002-8241-0833

September 2020 – September 2022

EDUCATION

University of Amsterdam

Master of Science, Psychological Research

Grade: 8.69 (cum laude)

University of Leeds January 2019 - August 2022 Erasmus Semester, Psychology

Radboud University

Bachelor of Science (Honours), Psychology

Grade: 8.29 (cum laude)

Leeds, UK

Amsterdam, The Netherlands

September 2017 – September 2020 Nijmegen, The Netherlands

PUBLICATIONS

Gunschera, L.J., Brazil, I.A., Driessen, J.M.A. (2022). Socio-economic decision-making and psychopathy: A systematic review and meta-analysis. Neuroscience and Biobehavioural Reviews. 10.1016/j.neubiorev.2022.104966

UNDER REVIEW AND PREPRINTS

Gunschera, L.J., Verschuere, B., Murphy, R., Temple-McCune, A., Dutton, K., Fox, E. [Under review]. No impaired integration in psychopathy: Evidence from an illusory conjunction paradigm. Preprint available.

De Wit, S., Bieleke, M., Fletcher, P.C., Horstmann, A., Schueler, J., Brinkhof, L.P., Gunschera, L.J., Murre, J.M.J. [Registered report under review]. The shape of habits: A multi-centre replication.

Van der Cruyssen, I., Ben-Shakhar, G., Pertzov, Y., Guy, N., Cabooter, Q., Gunschera, L.J., Verschuere, B. [Under review]. The validation of online webcam-based eye-tracking: The replication of the cascade effect, the novelty preference, and the visual world paradigm. Preprint available.

Gunschera, L.J., Temple-McCune, A., Fox, E., Murphy, R. [In preparation]. Overburdening associations: The dependency of psychopathy related acquisitional learning deficits on processing load. Preprint available.

Gunschera, L.J., Temple-McCune, A., Murphy, R., Fox, E. [In preparation]. Psychopathy related reversal learning deficits in the general population: The influence of perceptual load and stimuli associability. Preprint available.

ACADEMIC POSITIONS

*responsibilities based on Contributor Roles Taxonomy (CReditT)

University of Cambridge - Cognition and Brain Sciences Unit Postgraduate Research Assistant (full time)

Research focused on digital technologies and their impact on mental health. Supervision: Amy Orben.

*Responsibilities: methodology, administration, software, formal analysis, data curation, writing

University of Oxford

Research Assistant (part time)

Research on selective attention deficits in psychopathic individuals and potential downstream consequences for decision-making and behavioural inhibition. Supervision: Elaine Fox & Robin Murphy.

Responsibilities: conceptualisation, methodology, administration, software, formal analysis, data curation, writing

From October 2022 Cambridge, UK

November 2021 - October 2022 Oxford, UK

University of Amsterdam - Habit Lab

Research Assistant (part time)

July 2021 – November 2022 Amsterdam, The Netherlands

International longitudinal projects examining developmental trajectories of habits and their relevance to social media and clinical conditions. *Supervision: Sanne de Wit & Tim van Timmeren.*

*Responsibilities: conceptualisation, methodology, supervision, administration, software, formal analysis, data curation, writing

University of Amsterdam - Lie Lab

Research Assistant and Intern (part time)

Research focused on detection of lies utilizing concealed information test and eye-tracking data. Research into antisocial behaviour in community and offender samples. *Supervision: Bruno Verschuere*.

*Responsibilities: conceptualisation, methodology, administration, software, formal analysis, data curation, writing

University of Amsterdam

Teaching Assistant (part time)

- Addiction and compulsive disorders
- Scientific writing and presenting
- Meta-analysis

February 2021 – December 2021 Amsterdam, The Netherlands

February 2021 – August 2022 Amsterdam, The Netherlands

VISITING POSITIONS

University of Oxford

Visiting Researcher

Research on modern conceptualisations of psychopathy and innovative approaches to the assessment of psychopathic deficits. Supervision: Elaine Fox, Alexander Temple McCune. October 2019 – November 2019 Oxford, UK

PLACEMENTS

Radboud University

Honours Programme

Extracurricular study program for students with exceptional achievement, encompassing research projects, academic writing, teaching, individual supervision, conferences, and academic excursions. Research projects ranged from domains of neuroscience and psychophysiology to applied clinical research. Supervision: Dennis Schutter, Inti Brazil, & Mathieu Koppen.

September 2018 – September 2020 Nijmegen, The Netherlands

Radboud University

Interdisciplinary Honours Programme

Extracurricular study program for students with exceptional achievement aimed at facilitating interdisciplinary scientific exchange, encompassing presentations and discussions with leading professors from medicine, physics, biology, and more.

January 2018 – July 2018 Nijmegen, The Netherlands

Montessori Schule

Internship

Taught a class of children with disabilities at the Montessori Schule Osnabrück, a school dedicated to mental development and inclusion.

May 2016 – June 2016 Osnabrück, Germany

^{*}Responsibilities: teaching, grading, organisation

SKILLS

Programming: R, Python, Inquisit, MatLab

Data acquisition: electroencephalography, electrodermal activity, electrocardiography, respiration Formal Analyses: Bayesian inference, meta-analysis, multilevel, network analyses, structural equation modelling, computational modelling, panel analyses

AWARDS AND RECOGNITIONS

Radboud Honours Academy, Honours Bachelor	August 2020
Radboud Honours Academy, Honours Interdisciplinary	August 2018
Radboud University, Propedeuse cum laude	August 2018

PROFESSIONAL AFFILIATIONS

Member of the Society for Scientific Study of Psychopathy

Member of the Psychonomic Society

Member of the American Psychological Association

Member of the Student Initiative for Open Science

Student Delegate, University of Amsterdam

April 2022 – present

July 2021 – present

January 2021 – September 2022

September 2020 – September 2022

November 29th, 2022
